OUR LAUNCH

Partnership on 3rd November! The response to our offer as a partnership is extremely encouraging and we were thrilled to see the excitement for supporting children and young people across the borough. We ate cake, shared provocations, planned for the future and looked at what drones and sheep could possibly have to do with anything! Thanks to Natalie Armitage and Seb Newbold for volunteering their time to share their experiences with their respective CEPs, and to Pepita Hanna, for discussing Arts Connects role in our CEP.

We were delighted to be joined by over 40 organisations, individuals and schools to celebrate the launch of Solihull Cultural Education Partnership
